## JSP Newsletter December 2017

The JSP's full time school closed December 8<sup>th</sup>. It has been a tough and hardworking trimester for students and staff alike. However, for the first time in many years, Brother Kiddoe stayed in Jamaica in December. He along with the JSP team and students enjoyed some rest.

### Extension School

Extension school classes in Jamaica and most other countries continued to mid-December. Then we took a two week break.

### New Full time Students

## **Coming to our Mona Campus**

During the break, the administration prepared to admit new full time students for January 2018. Applications have been received from Jamaica, Cuba, Haiti and the Turks and Caicos Islands.

### **Dorm Repairs**

In this regard the repairs to the JSP Dorm were carried out. Bunk beds were built and repaired, doors repaired and plumbing work done. In general dorm rooms have been spruced up. Much of the work was completed by December 31<sup>st</sup>.

### **Media Center**

In addition efforts were made to get the JSP Media Center at the Mona building operational in time for the start of the spring 2018 semester. This was achieved. As of January 12<sup>th</sup> 2018, Year 1 and 4 classes will be broadcast live via U tube.

The Media Center will be a major step forward for the JSP. As we begin broadcasting our Full time Degree classes, we will recruit students from all over the world. This ambitious plan will help to advance the Church's worldwide evangelistic efforts

### **Fundraising Drive**

In December we pursued our Annual Fund Raising Drive as we sought to raise one time donations. Donation will be used to help bear the heavy cost of completing the Media Center. Letters were sent to supportive brethren in several countries.

Donations can be sent to:  
Jamaica School of Preaching  
Box 212  
Mona, Kingston 7  
Jamaica, West Indies

Please pray for the JSP

Gladwyn Kiddoe  
JSP Director
