(JSP International) in Jamaica

In Jamaica we have 65 extension students in 5 congregations across the country at:

Bull Savannah

Independence city

Negril

Patrick Gardens

And

Sandy Bay churches of Christ.

These classes are held weekly or bi weekly.

Media Center Progress

Work on the JSP's Media Center at the Mona building is drawing closer to completion. Richard Reid, JSP administrator, is in charge managing the finishing touches to the effort. Air conditioning is being installed; carpeting and painting is next. We have in hand most of the equipment to operate the center. We have done our test runs transmitting our 1st and 4th year classes on skype. As the weeks progress both classes will be broadcast on a limited basis live via skype and U tube. In addition, each class will be video recorded and available on our website.

The Media Center will be a major step forward for the JSP as we pursue our ambitious “Six Continent Project.”

We miss Weldon and Margie Kirby

Three years ago a dear supporter of the JSP, Weldon Kirby, went on to his reward leaving wife Margie. We had known the Kirby’s for over 35 years.

In January 2018 we heard the sad news of the passing of Sister Margie Kirby of Granbury, Texas.

The Kirby’s were huge supporters of the JSP and were dear friends of the entire Kiddoe family. Alva, Jared and Gladwyn attended Margie’s Thanksgiving Service and graveside ceremony in late January.

The Kirby home was our home away from home both in Lometa and then later in Granbury, Texas. They were supportive in

**many different ways both materially
emotionally and spiritually.
They are sorely missed.**

Fundraising Drive

Our annual Fund Raising Drive continues.
Donations to the JSP will help fund the world wide
school operations and also to contribute to
completion of the Media Center in Jamaica.

Remember donations can be sent to:

**Jamaica School of Preaching
Box 212, Mona, Kingston 7
Jamaica, West Indies**

Please pray often for the JSP.
