March 2018 Newsletter

Introduction

March was an excellent month for our work
Media Center

The Media center at our Mona facility is almost completely painted thanks to visiting brethren from Alaska.

Robin Barry and Robert Cramer, brothers in Christ from the Soldotna Church of Christ, Soldotna, Alaska spent a week with the JSP (Mona) family in early March. They spent most of their time visiting at JSP Mona. They along with JSP students worked together painting the Media Center.

Their visit was a blessing in several ways. They connected well with teachers and students at the JSP and with brethren at Mona and other local congregations.

Robin and Robert attended the mid-week Bible class at Mona and also worshipped on Sunday with the saints at the Bull Savannah congregation.

Speaking in Campaign at Morant Bay

Brother Gladwyn Kiddoe was one of the speakers for the week long revival meeting at the Morant Bay Church in eastern Jamaica.

Brother Gladwyn spoke on Wednesday night March 14th. The Morant Bay congregation was started in 1973 as a result of a three week tent crusade in the community. This campaign was organized by the JSP under the leadership of Marvin Crowson then American missionary to Jamaica.

Br Kiddoe was then the Dean of Students. He led JSP students in conducting street meetings and other evangelism efforts. Over 50 were converted in this campaign. Today the church has well over a 130 members. The preacher is Evangelist Michael Dehaney.

He is married to Dr(Sister) Leila Dehaney former Head Nurse of the Jamaican Government nursing service. Both are graduates of the JSP.

The week of preaching truly uplifted the congregation. We thank God.
